4TH ANNUAL GOLF TOURNAMENT
AUGUST 14th, 2018

SUPPORTING SCHOLARSHIPS FOR YOUTH!

DEAR SISTERS AND BROTHERS,

I'm proud to announce that the CBTU Ontario Canada Chapter will be hosting its 4th annual charity golf tournament at the beautiful Richmond Hill Golf Course August 14th, 2018! Our annual charity golf tournament is held each year to assist in raising funds for scholarships in the African Canadian community. Last year, tournament participants were able to assist deserving Scholarship recipients. With the support of our members, we are hoping to make this year's tournament even more successful than the last. Join us for a day of fun with colleagues, brothers and sisters, while supporting initiatives close to the hearts of our members.

Please register by Thursday, July 19th, 2018 to guarantee your spot.

For more information, please feel free to contact yolanda.mcclean@cupe4400.org

I look forward to seeing everyone there!

Sincerely,

Yolanda McClean
President
CBTU Ontario Canada Chapter

ABOUT CBTU

For almost 20 years, a group of Trade Unionists has advocated to put issues of racism and discrimination higher on labour's agenda. A large part of this group eventually became known as the Coalition of Black Trade Unionists (CBTU). The CBTU continues to advocate for equality today, making concerted efforts and strides towards ensuring seats and equal opportunity for racial minorities on the Canadian Labour of Congress (CLC) and the Ontario Federation of Labour (OFL) boards.

The CBTU has grown into a multi-service organization, working towards providing children of our Black heritage align with positive choices and a brighter future. Positive choices are provided through the implementation of culturally appropriate learning and development programs, such as summer camps, education/employment initiatives, youth development and mentoring as well as positive community engagement.

CBTU has made a great deal of progress within Canada over the past 40 years, creating a new Chapter and growing within the community. However, the work of CBTU members is never done. Poverty and Equality never sleeps; we need to continue to work together as Union activists and community leaders to combat these trends today and in the future.
