A Message of Gratitude, Pride, and Purpose as We Welcome 2026

As we prepare to welcome 2026, we pause to reflect with gratitude and pride on what has been a truly impactful year for 100ABCWomen and the extraordinary women we celebrate.

2025 was a remarkable year for our Honourees. Across Canada, Black women received prestigious recognitions — including King Charles III Coronation Medals, provincial and municipal awards, and community honours affirming their leadership, service, and excellence.

This year, 100ABCWomen delivered meaningful, community-centered initiatives, including contributions to the proposed Ontario Black History Education curriculum, a stellar Symposium focused on Black Women in the Skilled Trades, and several impactful Fireside Chats connecting communities nationwide.

As we look ahead, an additional **100 Accomplished Black Canadian Women** will be honoured in 2026, bringing our total to **600 Honourees** across Canada — a powerful testament to the brilliance of Black women nationwide.

Looking forward to 2026, our commitments include:

- 25 weekly Fireside Chats
- Two Symposiums addressing the high rate of suicide amongst young Black girls and injustice for Black lawyers
- The release of the 6th Edition of 100 Accomplished Black Canadian Women and our 6th Book Launch & Awards Ceremony

None of this work would be possible without the unwavering support of our sponsors, partners, volunteers, and community champions. Your belief in our mission fuels lasting impact across Canada.

As we close out the year, we extend heartfelt thanks to you and your families. May you remain safe, in good health, and inspired. We look forward to continuing this important journey together in 2026.
